

# Antibiotics – Learnings from the Indo-Swiss AMR innovation dialogue how to use them in a sustainable manner

Berne, 18.01.2024

# Antimicrobial Resistance as a «century problem»

- We can only slow down, but not stop the spread of resistant bacteria.
- Our antibiotics stem from the last century.
- The silent pandemics is on the rise, also in Switzerland.

# Indo-Swiss AMR Innovation Dialogue

## Organisers

# Why an Indo-Swiss AMR innovation dialogue?

Population: 9 Mio

Population: 1'433 Mio

# Aims of the meeting

- Build up trust and mutual interest
- Extend network for new collaborations
- Enter new ground
- Experience some adventure

Swiss Business Hub India

What role do Swiss and Indian industry play in countering antimicrobial resistance (AMR)? How can we accelerate progress and capture opportunities in diagnostics, vaccines and novel therapeutics to decrease the global burden of infectious diseases?

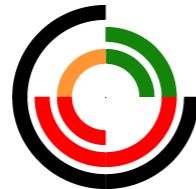

To discuss this

Swissnex in India, the Swiss Business Hub India, the Swiss-Indian Chamber of Commerce, Switzerland Global Enterprise, Invest India, and Tata Consultancy Services

cordially invite you to

## The Swiss-Indian AMR Industry Roundtable

convened by the

**INDO-SWISS**  
INNOVATION PLATFORM

Thursday, January 18, 2024,  
2:00pm to 3:00pm CET

TCS Lounge, Hotel Panorama  
Promenade 80, 7270 Davos

Dress Code  
Business Attire

# Future of Antibiotics Platform

Sustainable and continuous networking platform, that brings together key players in antibiotic development and rapid diagnostics in Switzerland.

Planning and execution of special events to explore fresh ideas and establish novel partnerships.

Active participation in events organized by third parties (e.g. Incate, NCCR AntiResist)

Connection to Roundtable Antibiotics (political agenda).

Antibiotics platform within biotechnet: networking activities across disciplines and institutions.
