

# XIX Summer School on Advanced Biotechnology

September 1 - 4, 2025

Mutolo Auditorium, Dpt. STEBICEF, viale delle Scienze, Building 16, Palermo, Italy

## How to reach the NH and Villa Archirafi hotels:

From Falcone-Borsellino airport you can reach the main train station of the city (Palermo Centrale) by train (train station in the airport) to Palermo Centrale. The ride takes about 1h, and tickets can be purchased on [www.trenitalia.com](http://www.trenitalia.com).

Alternatively, you can take the Prestia & Comandè shuttle bus from the airport to Palermo Centrale (the bus stop is outside the airport, about 50 meters to the right). Tickets are available at the airport or on <https://prestiaweb.smartticket.it/home/>

Both the hotels are at walking distance from the Palermo Centrale station:

# XIX Summer School on Advanced Biotechnology

September 1 - 4, 2025

Mutolo Auditorium, Dpt. STEBICEF, viale delle Scienze, Building 16, Palermo, Italy

## How to reach the venue:

### Recommended option

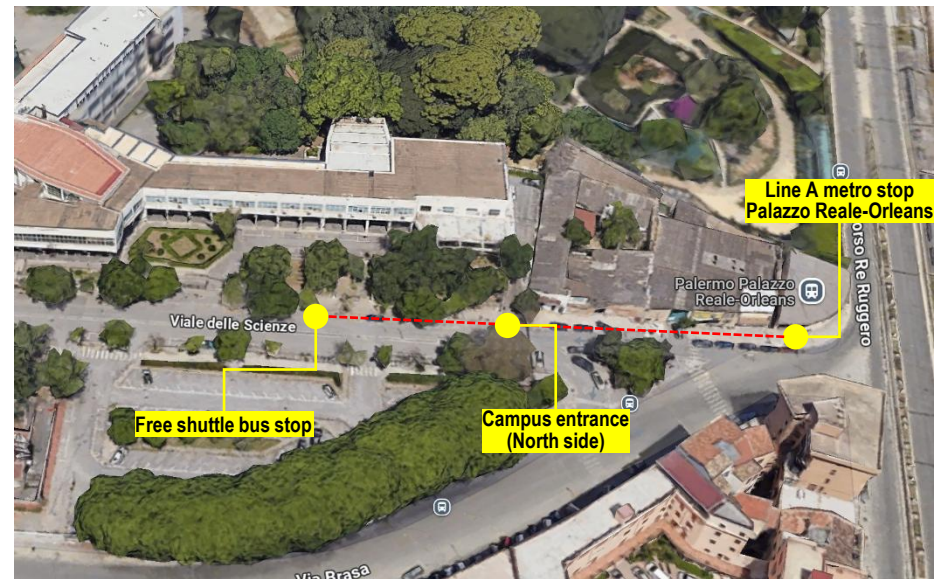

Take bus 109 from the Palermo Centrale station and get off at the stop “Basile-Artale”. The ride takes about 20 minutes, and tickets (AMAT) can be purchased either at Palermo Centrale station or at most newspaper and tabacchi shops. From Basile-Artale, you can access the Campus (South-side entrance) and easily reach Building 16 by walking.

----- Walking path

### Alternative option

Take metro line A from Palermo Centrale station to “Palazzo Reale-Orleans” stop. From there, you can enter the Campus (North-side entrance) and reach Building 16 either by walking or by taking the free shuttle bus inside the Campus to the “Biologia” stop, which is directly in front of Building 16.

----- Walking path
